

DEAR FRIENDS:

Welcome! I hope you will find the *Directory of Montana Schools for 2011-2012* useful during this school year.

The directory will assist you by providing contact information for:

- Montana's School Districts
- OPI Staff
- Education Associations
- Board of Public Education
- Higher Education
- County Treasurers and Superintendents

We strive to make current information about Montana's K-12 public schools available to educators and to the public. In addition to the directory, the Office of Public Instruction's new Web-site, www.opi.mt.gov, provides many resources, such as reports and documents, state and national educational news, a calendar of upcoming educational events and links to the OPI programs. Segments of this directory are also available on our Web-site in downloadable electronic form.

Sincerely,
Denise Juneau, Superintendent of Public Instruction
